LUSOR - "the Light"

This is the ultimate Amaro, the real deal, the mixology dream, the bitter!

Lusor is the signature Amaro of Buiese Distillery 1918, the one that made this family famous in Italy and abroad.

It gets its name from the bright yellow gentian flower which recalls the sunlight, luce in Italian and "Lusor" in Friuli Dialect.

30 secret herbs infused for at least 3 months in alcohol, then pressed and aged for more than 6 months.

Then this unique infused is crafted into the famous Lusor Amaro.
