

CANTINE PATRIA  
Etna Rosso DOC "Femina"

<b>ESTATE:</b>	CANTINE PATRIA
<b>WINE:</b>	Etna Rosso DOC
<b>GRAPES:</b>	100% Nerello Mascalese
<b>REGION:</b>	Sicily
<b>CITY:</b>	Castiglione di Sicilia - Catania
<b>SOIL:</b>	Volcanic
<b>TASTING NOTES:</b>	

**COLOR:** Light ruby red, with pale violet reflections

**NOSE:** Clean, perfumy and intense it reveals elegant scents of rose petals, green pepper, cherries, tomato leaf and menthol.

**TASTE:** On the palate it opens with a very soft approach supported by a good freshness and very firm yet polished tannins. The harmony is the keystone of this beautiful wine.

**COMMENTS:** **CERTIFIED ORGANIC**

**FEMINA** means woman, because in our matriarchal culture, women are the pillars of the society. As a good mother the Etna volcano protects and nurtures our families and our vineyards. Made with **100% Nerello Mascalese** grape grown on the terraces carved on the steep slopes of the volcano at 2,100 feet above sea level. The different layers of the magma flow provide complexity and elegance both at the nose and on the palate. Big, structured, with silky tannins and an incredible long finish. Best served at 64° F. **MADE WITH ORGANICALLY GROWN GRAPES**

**LOW INTERVENTION WINES:** this is our interpretation of "Natural Wine". The wines are not chemically manipulated, we don't use sulfites during fermentation, we use indigenous yeasts, no adding of citric acid, no adding of sugar nor "Arabic gum", no albumin, no gelatin, no animal derived products, The wines are made with the healthiest grapes possible to let nature do its course!
